Your applicant conducted an investigation and received information from other officers and other sources as follows:

(X See attached investigative and police reports.)

██████████ submitted to Brad Sieck a statement as follows:

My mom, sister and a friend went to get icecream dad was on a motorcycle ride. I was babysitting my oldest and youngest foster brothers. My middle foster brother is on a home-visit. My oldest brother, Cody and my youngest, Dominic were playing outside, I was watching TV Cody came inside. He had dirt and mud all over him and a little blood on his forehead. Mom could tell the blood wasn't his. Cody said, "Peanut it's Dominic!" Cody claimed that Dominic thought Cody wasn't playing fairly so Dominic hit himself in the head, hit Cody in the head with a brick and ran to the ravine. I called Mom and told her so she came back home. We all looked for Dominic. We could tell that Cody was lying about what happened, so my sister, ██████████ and my mom calmed him down and got him too explain where Dominic was. Cody led us to a different part of the ravine where we found Dominic limp, and face-down in the water. His clothes were wet and dirty. He had multiple gashes, and bruises all over his face. His lips were blue and his upper-lip had a gash in it. I tried to give him C.P.R. but later my grandpa came over checked Dominic's pulse, and told us that there wasn't anything we could do. Cody had beaten Dominic with a brick and killed him.

Julie Coolman represented to me, Deputy Sieck, that she has five foster children, one being Cody Metzker Madsen. These foster children live with Mrs. Coolman at her residence 2137 Newport Lane, Logan, IA. She also provided me a statement that I have attached.

Narrative

08-31-2013

I Deputy Brad Sleck and Deputy Killpack were called to 2137 Newport Ln for a report of a five year old child that had left the residence after fighting with his brother, Cody Metzker Madson 02/17/96 and that the younger boy was bleeding from the head and that the female caller advised that they could not find the boy anywhere; we arrived at 2137 Newport at 19:23. Deputy Killpack and I went to the front door of the residence at 2137 Newport Lane and attempted to make contact with the reporting party, when I overheard some yelling over here to the west of the residence. I observed an adult female, Julie Coolman 10/28/61 and two juvenile females, a [REDACTED] and a [REDACTED] all were visibly upset. As Deputy Killpack and I approached them they stated that they had located the five year old male, Dominic Elkins 11/12/07 in the ravine and that he was not breathing. Deputy Killpack and I were shown the location of Dominic Elkins by the three female subjects; I observed Dominic Elkins laying on his back down at the bottom of a steep ravine (creek bed). I also observed two male subjects standing to the left and the right of Dominic Elkins. Deputy Killpack and I went down the ravine and made contact with Dominic Elkins and the two male subjects. Deputy Killpack checked the vitals of Dominic Elkins and stated that rigamortis had started to setting in and that he was deceased. The two male subjects a Michael Coolman and a Cody Metzker Madson were standing on each side of Dominic's body. Cody Metzker Madson was visibly upset.

Dominic Elkins was laying on his back on the creek bank with both his left and right foot in creek. Dominic Elkins had blood coming from mouth, nose, and the back of his head. I observed obvious wounds to his face and the back of his head. I asked Cody Metzker Madson to come with me up to my vehicle, Deputy Killpack remained with Dominic Elkins. Once at my patrol vehicle I informed Cody Metzker Madson that he was being detained and placed him in the backseat of my patrol vehicle.
